

2019 Cortland Fest

Parade Registration

Cortland Fest, Saturday, June 22, 2019

Please return your registration form by Thursday, June 20.

TO Security First Bank in Cortland (next door to the EZ Stop)

OR Bring it to the Parade Lineup by 3 pm on June 23rd

Get ready for some fun! Use your skills to create some great entries! Children's entries such as wagons, tricycles and bicycles are encouraged. Decorate all "vehicles" with crepe paper, noise makers, etc. Because our PA system cannot reach everyone along the parade route, we encourage signs and/or banners.

The parade will start at 4:00 p.m. All parade entries should be checked in by 3:30 p.m. After you check in at 7th and Sheridan Avenue and get your number, please proceed to the lineup area (south of 7th on Sheridan) lining up single file on the east side of the street in numerical order. If the parade lineup reaches 9th Street, then the lineup would turn the corner (west) and continue to Lincoln Street then turning again (north) onto Lincoln back to 7th Street. (Please do not block the intersection at Lincoln Avenue.) By keeping everyone to their right allows parade helpers to pass easily along the left side as they check on progress. Please display your number so others coming into the lineup can see them and know where they should get in line. **Once you get the go ahead to start down the parade route: In order to allow ample time for the announcer to announce each entry, please maintain a distance of one-half block between entries. When you see the entry in front of you stop, you should be stopping as well to maintain the distance.** Thank you in advance for your help to make the parade run as smooth as possible.

We look forward to a variety of entries and an exciting parade!

[Cut off the bottom portion & return to one of the above locations. Save these instructions for Parade Day]

Cortland Fest 2019 Parade Registration Form

Name: _____ Telephone: _____
